

POLICY & ENVIRONMENTAL BARRIERS

Workplace: _____

Policy/Environmental Barrier: _____

Using data from the employer/employee assessments, write a short description of your plan to increase health promotion throughout the workplace.

List strategies you will be using to alter or eliminate the policy or environmental barrier you have found in your workplace culture. It is often necessary to partner with other organizations or individuals in the community in order to make your resources extend further. Think about who your potential partners will be as you develop your plan.
